

Dear Customer

Thank you for choosing our cleaning services. In order to begin with the cleaning process, our professional housekeeper would first require a list of certain cleaning tools (please see list below).

The standard cleaning equipment consists of the following:

- Vacuum cleaner with spare bags
- Floor mop set with two cloths and bucket
- Microfibre cloths (several cloths for hygienic reasons)
- Cleaning sponge scratch-free (with pad back in white)
- Duster
- Descaler
- Bath cleaner
- Degreaser
- Glass cleaner
- Stove cleaner
- Cleansing brick
- Gloves

With these basic cleaning tools our professional housekeeper will be able to do all required cleaning in your household to your full satisfaction.

Best regards
